MOHAWK IRONWORKERS

SPECIAL EVENT!

MONDAY, AUG 7, 7pm

MOHAWK IRONWORKERS

celebrates the steely determination of the ironworkers of Kahnawake, Akwesasne and Six Nations. Legend has it that ironwork is in the blood of Mohawks, passed down through generations.

The documentary uses a mix of dramatic "high steel" footage, on-the-job and home-life reality shooting, and archival material to reveal the fascinating story of the ironworkers and their families. It provides a rare glimpse of Mohawk history as they face the realities of one of the most dangerous jobs on the planet."

Includes an intermission reception, with remarks by curator/ Director Margaret Horn.

7pm. Admission \$10
