

*Get Ready!*  
**TRAINS ARE  
COMING TO AU  
SABLE FORKS!**

**December 15-January 5th.** Gallery hours generally are 4pm-7pm Thurs and Friday; 10-1 on Saturday, except for special events, and also open by appointment.

Serious fun for the young-at-heart at every age.

For three weeks over the holiday season, the **Tahawus Lodge Center** Gallery on Main St in Au Sable Forks will be transformed by the wonderland of G-Model Trains (the largest of the model trains).

The exhibit is put together by Carl Koke of Peru and Lou Scavo of Jay, both aficionados and model train collectors for many years.
